CAMP LEE, VIRGINIA

Mr. Chairman,

I wish to thank the Bryant Service Club for their generous gift they sent me at Christmas. I wrote a letter thanking you as soon as I received them. Apparently my letter was lost because I received a letter from my folks saying you had not heard from me. I'm sorry because I answered as soon as I received them which was about 4 days before Christmas. It sure was swell of you to remember me. Thanks very much.

Sincerely,

Harry Smith
